RISE CAMP WAIVER

We have taken enhanced health and safety measures – for you, our staff and other Rise Campers. You must follow all instructions either written or advised by a staff member while participating in the camps. If at any point, the camper is non-compliant, parents will be called and expected to pick up their camper immediately.

We are thrilled that your child is participating in RISE Camps this year!! We are full of excitement and cannot wait to share all the Lord has laid on our hearts for your student. We are taking Covid-19 seriously, but we will not allow it to take away from the presence of God and communicating hope to your student.
