Pregnancy Centers and Mentoring Programs

## RISE CAMP WAIVER

We have taken enhanced health and safety measures – for you, our staff and other Rise Campers. You must follow all instructions either written or advised by a staff member while participating in the camps. If at any point, the camper is non-compliant, parents will be called and expected to pick up their camper immediately.

Cell phones will not be allowed to be used during camp unless otherwise approved by a camp staff member and will be taken up if they become a distraction or an issue.

We are thrilled that your child is participating in RISE Camps this year!! We are full of excitement and cannot wait to share all the Lord has laid on our hearts for your student. We will choose hope and seek the heart of the Father.

Rise. Shield to Shield. Let's Go!!
